

OneSite

The Simplest Way To Get Paid

Managing your construction projects is tough work, but getting your disbursements shouldn't be. OneSite is the simplest way to request draws and change orders and get paid faster.

OneSite is a web and mobile app experience that provides you simple steps to complete a successful draw and work from a single budget of record with real-time information. A secure and simple messaging tool allows you to exchange information with your lender, eliminating separate emails or phone calls. Always know where the budget stands and the status of your draws and change orders. There is no simpler or faster way to get paid and keep projects on-track.

What you can achieve with OneSite:

- Get paid faster with less hassle
- Real-time access to project and loan information
- Simple request process for draws and change orders
- Faster on-site and remote inspections
- Web and mobile app for convenience
- Secure and easy communication with your lender
- Transparency on what tasks need to be completed

Experience the Difference

Access the Budget of Record: See where the project stands in real-time. No reconciliation, no emailing, no wondering how much is remaining.

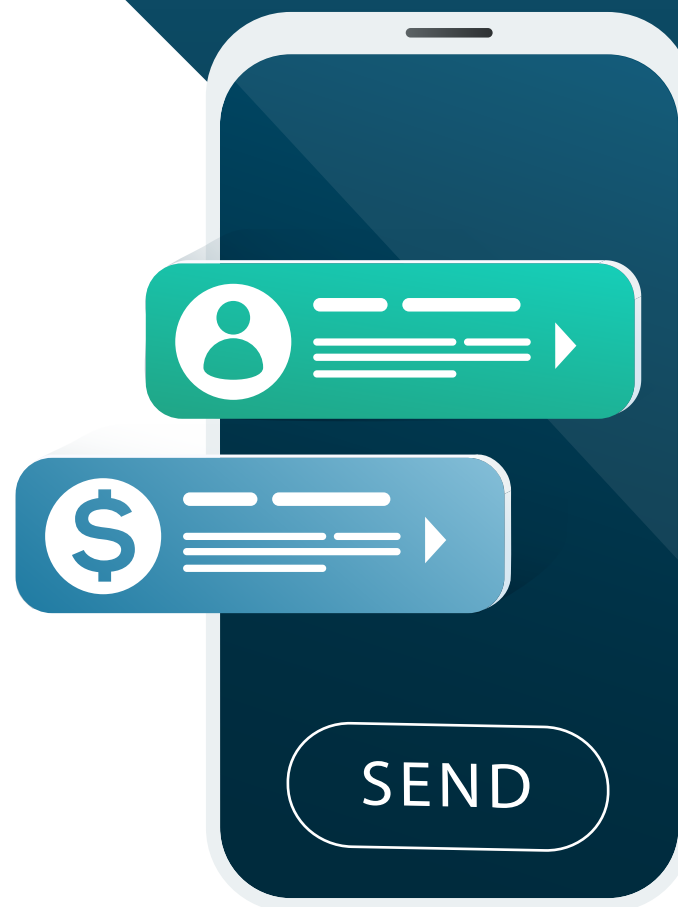

Messaging: Securely send or reply to messages directly in the app and easily communicate with your lender all in one place.

Clear and Easy Instructions: Complete tasks and stay informed on what's important next to meet your obligations and get paid quickly.

Simple Draw Process: Electronically sign your request, upload supporting documents, and schedule inspections in seconds.

Change Orders: Submit your change orders in seconds, not days! Easily communicate changes and request acceptance faster than ever before.

Secure Login: With easy login via facial recognition or fingerprint ID, feel comfortable knowing you're in safe hands.

"The thing I like the most is how the app is designed with breakdowns for quick payment disbursements and easy tracking."

"Very easy program to follow right from the first draw. I highly recommend to other builders and lenders."
